Central Alberta Team Penning Association

January 2006

A Message from Our President

The 2006 penning year has started for the new Executive. The Annual meeting was not well attended but good discussion took place. The Association is on very sound financial footing and sponsorship will continue to be a major focus for the Directors.

The election of Directors took place with Peter Burke, Tom Milne and Brad Richardson being elected. A complete list of Directors and committee members is included in this newsletter. The membership approved rules for 2006 and there are some changes in that area. A complete outline of the rules is included in this letter. There are two changes from last year. One change being the substitute rule has been removed and a team's points will be accumulated based on their best 6 shows. The substitution rule created major problems in tracking and administering the point totals. We believe that members who are riding for yearend awards will ride together and produce the points needed and the best of six shows will give all of us an opportunity to be successful. The other change will allow members who attend 4 sanctioned shows to attend the Final show. This will allow members who have other commitments but have participated in our club the opportunity to attend the two day Finals weekend.

Peter Burke, the ratings coordinator has watched many runs in order to review rider ratings and I thank him for his time and patience. I would ask members to send in their membership renewals so that the official numbers are in place as soon as possible. We have included membership form in this letter and please copy for family members to fill out. The final numbers are assigned by the CTCPA and the information has to pass through that body. Please call Peter if you have any questions in regard to numbering.

The Executive wants our club to be user friendly and we believe that the changes we have introduced have and will accomplish that intent.

I am looking forward to another year of Team Penning and wish all of you the very best in the New Year!

Please feel free to call myself, or any Directors with questions or comments.

Sincerely,

Tom Milne
CATPA President
