## A Message from Our President

March 1, 2006

The 2006 penning year is nearly upon us. I would like to extend my appreciation to all Directors, Connie Huelsman and Colleen Homme for their efforts in preparing for the upcoming year. The sponsorship program has been very successful again this year and we look forward to being able to offer added incentives to our members.

There have been a few rule changes that everyone needs to be aware of. There will be no substitutes counted in total yearend points unless a medical problem occurs at a show. We will be using best 6 shows to accumulate year end points. A member has to attend 4 shows to be eligible for Final ninth show. Please review rules as you prepare to put together teams for 2006. The rules were included in the January newsletter or on the website.

We had a clinic for individuals wanting to be one of our judges on February 15 but due to bad weather attendance was poor. We will be requesting that any member, who wants to be a line judge or main judge, be certified under the National Association. Please call Kathy Cummins or myself to discuss the process of getting certified.

Settler Ag Society and local sponsors will be putting 4 saddles up for awards at the Finals this year. There will be one saddle for each class and jackets for the Youth. The saddles will be awarded based on the individual 2-day high point rider in each class. A thank you needs to be extended to Larry Cressman, Pat Bolin and Jim Gilbert for the work they have put into preparing for the Finals.

There will be a workshop for # 1 and 2 penners at Rockin H Arena on March 19, 2006. The cost will be \$40. Please forward names to Peter Burke, Brad Richardson or Ron Marcinek if you are interested in attending. Please call any Director for more information. We would like to offer a special thanks to Rockin H Arena (Connie and Larry Huelsman) for donating their arena for this workshop.

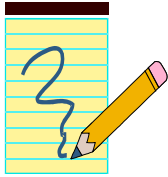

I would like to remind penners to be prepared for shows by being at the in gate on time, moving to the herd when asked, promptly moving to regroup the herd after your run and exiting the arena in a timely fashion. We are committed to run our shows as efficiently as possible and will be requesting your assistance in doing so.

2005 unaudited profit / loss statement is included in newsletter for your review.

I would like to extend my wish that each of you have a great penning season, enjoy the fast paced action and wealth you may accumulate!

Sincerely,

Tom Milne  
CATPA President
